

## **Hole #5 Drop Zone Rule**

There is a drop zone with a FREE DROP that can be used under the following conditions:

- A. you MUST find your ball, otherwise it is a lost ball and must be played accordingly
- B. your ball is in the barked area immediately behind the green or in the maintenance lot behind the hole

If your ball is in the barked area by the #6 tee box you get a free drop at the nearest point of relief on the #6 tee area, you cannot use the drop zone. If you are on the #6 tee area you must play it as it lies.

The hole #5 drop zone cannot be used if you are under the trees to the right of the green, either play it as it lies or take an unplayable.

The hole #5 drop zone is located in the small grassy area between the cart path and the wooden fence where the cart path turns left to go behind the hole.
